

**FIT THERAPY
TECHNOLOGY
ACADEMY**

STATUTE

FIT Therapy Technology Academy is an association of intent and professionals with the sole purpose of dissemination, education, and development of FIT Therapy Technology.

FIT Therapy Technology Academy is non-profit.

With the unconditional support of the Academy, **FIT Therapy Technology Academy** is tasked with developing and standardizing the correct use of products with FIT Therapy Technology.

The goal of **FIT Therapy Technology Academy** is to become a reference point in the scientific-cultural field where each person is free to express their ideas openly, and where every suggestion, initiative, or issue must be discussed while respecting ethical and honest principles.

Every member of the Academy is free to propose and invite other individuals to become part of **FIT Therapy Technology Academy**, bringing their experiences and expertise with the aim of growing consensus and enriching the group.
